Welcome to Fair Acres

A great offering of Shorthorns will be offered at Fair Acres Farm, Waldorf, Minnesota on Tuesday, Sept. 27, 1966.

This sale is a near dispersion since Charles Ewald, who established this herd over forty years ago, feels it is time to adjust his life to a more leisurely pace.

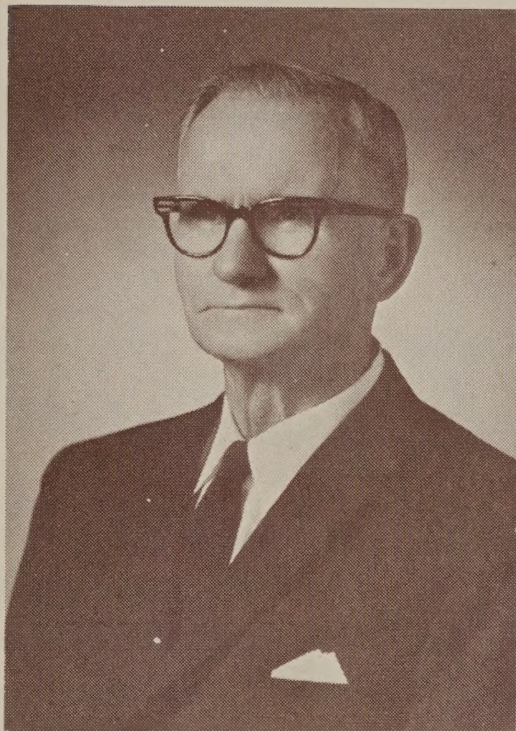

Therefore, over 75% of the herd will be sold. Lyle Ewald, the junior member, and his wife Beulah will retain eighteen cows, a half dozen heifers and a few calves in order to keep contact with their Shorthorn friends. They hope to enlarge the herd when their three young sons become old enough to assist with the cattle. At present, it is impossible for Lyle to operate 840 acres of land with limited help and maintain a large herd of Shorthorns.

Under the circumstances, many cattle will be sold that otherwise would not be offered for sale. The Ewalds instructed the sale managers "to go out and pick the cattle you want and the buyers will want, but just leave us a few of each of our foundation families as we have confidence in all of them." Thus, if you study the catalog you will note that a great deal of the very cream of this herd is offered.

You will further note that this herd was built with a purpose. That is to continually build and improve on the best. Always the best of imported bulls that were available were purchased. Only the very top imported and American bred females that were offered for sale were ever purchased. When you attend this sale and see the results of this program you will agree that it has brought results.

The Ewalds have always been boosters of the Shorthorn breed and willing workers in all breed and civic activities. Charles Ewald was named a "Builder of the Breed" several years ago and served 20 years with distinction on the Minnesota Sanitary Livestock Board. Lyle Ewald has served as President, hard working Secretary and Director of the Minnesota Shorthorn Breeders Association for a good number of years. His wife, Beulah, has been an officer and active worker in the Minnesota Shorthorn Lassies organization.

Therefore, we trust that Shorthorn enthusiasts from far and wide will come to Fair Acres Farm on September 27th to see the very top Shorthorns offered for sale and show the Ewalds your appreciation for their efforts on behalf of our great breed.

CALROSSIE TRADEWIND - A bull used at Calrossie before being imported by Fair Acres Farms in 1961 where he sired Calrossie Good Fortune who sold for 1,000 gns., at Perth in 1963 and then resold in the Argentine at the second top price in the Palermo show and sale. He is by Banchory Orangeman who also sired the noted Calrossie Diamond used at Leveldale and Melbourne Farms, and Calrossie Diadem used so successfully at Bilmar Farms. His dam is by the noted Calrossie Hyperbole, one of the best sons of the famous Calrossie Welcome. Since coming to Fair Acres Farm, Tradewind has sired a Minnesota State Fair first prize get-of-sire, a state sale Champion Bull, and several Ak-Sar-Ben National Sale class winners. Both the top bull and female in our 1964 sale were by him. Very few of his daughters have previously been offered for sale. 11 bulls, 28 females, 10 calves at foot all by him, and 10 females bred to him sell in this sale.

Note the excellent rear quarter on Calrossie Tradewind. With 70 percent of the value of a beef carcass in this region, buyers will want to avail themselves of the thick-rumped Tradewinds selling in this sale.

CALROSSIE GOOD FORTUNE. . . A son of Tradewind that sold in Perth for 1,000 gns. in 1963 and resold in Argentina for 850,000 pesos. The top average for get-of-sire at the 1963 Palermo Sale was secured by Calrossie Trademark . . Tradewind's full brother. . . with three sons averaging 776,666 pesos.

The hottest bloodline going is Banchory Orangeman . . . his sons Calrossie Diadem, Calrossie Diamond, Leveldale Richard and Calrossie Tradewind all head top herds and have dominated show and sale headlines in recent years.

LOUADA LEGACY - An outstanding royally bred young bull purchased at the second top price in the 1966 Canadian International bull sale at Brandon, Manitoba. He is sired by the great Louada Rothes King, sire of the \$17,200 twelve year record high bull in North America in the 1965 Louada sale. His dam is from the Augusta family that has done so well at Louada. She is by the 1959 International Reserve Grand Champion, Louada Cornerstone, and is out of the same dam as Louada Achievement, 1963 International Reserve Senior Champion, and Louada Air Raid, top selling bull in 1964 Louada sale who both went to the Max Cardey herd in California. Legacy is a full brother to Louada Aragon, one of the best bulls ever to leave Louada, going to Byron Reser, Walla Walla, Washington in 1964 at \$5000. Aragon was also used at Louada and his calves stamp him as a breeder. Legacy has every right of doing the same. Although only a yearling, he has been used heavily at Fair Acres, and twenty top females in the sale will carry his valuable service.

FAIR ACRES WHIRLWIND - Even though Calrossie Tradewind sired in Scotland Calrossie Good Fortune that sold for 1,000 gns., at Perth and 850,000 pesos at Palermo, Argentine, Whirlwind could well be his top son. This bull has a great head, lots of character, is burly and masculine with plenty of size, scale and bone. In addition, he is out of the great producing \$2300 imported Calrossie Flossy Fortuna, a double granddaughter of the famous Calrossie Welcome and a full sister to the Perth Champion, Calrossie Fortitude. GLASTULLICH PRINCESS CARMIN - A richly bred imported cow that is just in her prime and the kind rarely offered for sale. She was purchased for \$1900 in the 1962 Louada sale. Her first son was used some at Fair Acres. Her sire is also the sire of the \$22,500 Glastulich Garrison and the \$7200 Glastulich Sunshine in the Emile Commaert herd in Alberta. Also of Glastulich Victor used at Northwood. The dam is by a very highly regarded son of Calrossie Welcome. This cow will calve before sale day to the service of Calrossie Tradewind. A real foundation female.
